### Reduced Rates On Cream Cans

Reduced rates on three gallon cream cans for shipment by express will be available to farmers. Some time ago an appeal was made to the railway board for a return to the express rate on cream in effect before February, 1921. This the railway board refused, and an appeal was taken in behalf of the dairy interests, which meant that the rates on cream shipped reversed the decision of the railway board and granted the reduction, which meant that the rates on cream shipped reversed the decision of the railway board and granted the reduction, which meant that the rates on cream shipped reversed the decision of the railway board and granted the reduction.

### Impressed Theatre

One of the dramatic scenes in "The Inferior Sex," a picture starring Mildred Harris Chaplin and which will be shown at the theatre on Friday and Saturday, is that which takes place in the home of a married woman, whose husband has been wooed by a wealthy playboy. She goes to meet him at his yacht. But she is followed by her sister-in-law, who is also a married woman, and the picture is a study in the psychology of the woman.

## Hill Spring News

The regular game with Hill Spring and Leavitt on Wednesday had to be postponed because Leavitt had been unable to come. However, a large crowd assembled on the town square and a game was arranged between themselves. Of course Hill Spring won and every one had a great deal of fun. In the evening a ball was given in the main hall and the Blue-ribbon Orchestra from Cardston furnished the music. Quite a large crowd was present and everyone had a most enjoyable time.

Mr. Ole Olson lost one of his best milch cows last Tuesday. A can of blasting powder had been left on the grade by the river all winter, but this spring, someone cut it open and Mr. Olson's cow got into it. One of his best cows died and two others suffered terribly. Mr. Olson was away from home and just one of his boys at home. The other two cows were saved however.

Messrs. Donald Merrill, Frank Polson, Willard Brooks and Ronald Polson, who have been attending school in Cardston the past year, returned home on Tuesday night. Frank Polson went back again and left for summer school in Calgary on Thursday. Willard Brooks went back again on Wednesday also, but that was for a baseball game that he should play in and he returned on the same day.

The pupils of the High School have now finished writing their examinations. Grade nine did not have to write departmental exams but four out of five pupils passed successfully. That left twenty-four pupils in grade nine, ten and eleven to write on departmental examinations.

Miss Eva Targ from Glenwoodville is here visiting with Mrs. Ina Merrill.

## BLOOD INDIAN BOYS RECEIVE PRIZES AT ANNUAL FIELD DAY

"I am always glad to come to the annual Cadet inspection of St. Paul's Blood Indian Cadets, as the efficiency and smartness shown at these inspections is equal, if no better, than any other cadet corps in Alberta."

These commendatory remarks were taken from the address that was given to the St. Paul's Indian Cadets by Major Miller of Calgary, Cadet Captain of the Calgary Cadets, at the 11th annual field day of the St. Paul's Blood Indian Cadet corps held last Wednesday.

Forty Cadets, in clean apic and span khaki uniforms, were ranging from 8 to 16 paraded on the school square and went smartly through their drill and military manoeuvres in such a manner as to call forth the highest praise not only from the inspecting officer, but also from the large number of visitors from the surrounding district who were in attendance.

Two features of the inspection were the physical training class, and the Grand March past, the latter being performed in a manner that would bring credit to a crack regiment.

After the inspection the prizes for the year were presented by Mrs. J. Board to the following pupils of the school.

The "Patriot" prize given for pupil who had maintained the highest grade of the school for 12 months, Girls, Katie Weard Fast boy, Billie Bird.

The "Warrior" prize—Highest class honors, Josephine Davis.

The "Merit" Scripture prize—Josephine Davis.

The "Midnight" Challenge Cup—the smartest cadet for one year—Sergeant Mike Healy. This is the second time the winner has taken this cup, and if winning it next year the cup becomes his own property.

The "Major Miller" medal, presented annually for efficiency in Cadet corps—Sergeant Mike Healy.

At the conclusion of the prize distribution the Cadets were addressed by Maj. Miller, the inspecting officer, who praised the boys on their work, and also described the annual Cadet Camp that was to be held in July.

After the prizes were presented, the winners on their efficiency and were both in their military training and in their sports.

Stormy weather somewhat marred the day's enjoyment although what appeared to be a very bad storm passed off in a shower.

The St. Paul's Girls Junior Auxiliary also gave an excellent set of work, also they operated refreshment booths not only to the satisfaction of the visitors, but to their own funds.

A Major Miller so aptly remarked, it was hard to believe the performance given by the Cadets had been executed by Indian boys, and great credit is due to Rev. Capt. Middleton, principal of the school for the splendid showing made by the St. Paul's Indian Cadet corps at their 11th inspection.

THE WRISTLET WITH THE  
DISAPPEARING EYE  
PERHAPS you have seen just how easily the Waltham can be changed from a wrist watch to an ordinary watch, and worn in a variety of pleasing ways. Then you must come in and see this exquisite model today. Ask to see the little eye at the bottom of the case and how it folds back out of sight when the wristlet is not desired. This is the watch that made the wearing of wrist watches a mark of good taste. Let us show you the full range of Goe Waltham watches.

Goe Waltham

7, 15 and 17 jewel movements to suit gold or gold filled cases.

## Canada Confident of the Future

CANADA is endeavoring to regain her after-the-war stride in the midst of many difficulties, — debt, deflation and depression being some of them.

Quack remedies and academic theories beset her path on every side. Some suggest that our debt worries can best be eased by going further into debt. Others preach blue ruin, decry their own country and indulge in mischievous propaganda generally, while still others look for a new social order or some miraculous sign to indicate a better coming day—all this in apparent forgetfulness of the fact that just as there was no royal road to win the war, there is now no royal road to pay for it or regain our former buoyancy, vigor and confidence.

Some are leaving Canada hoping to escape taxation, only to find there is no escape anywhere. In seeking for easy remedies too many of us overlook the fact that the greatest remedy is honest, hard work faithfully and intelligently performed, accompanied by old-fashioned thrift.

It takes time, it takes patience, it takes grit. But every Canadian knows in his heart that Canada is coming through all right.

## Our Experience Proves It

Look back over the path Canada has trod. The French Colonists, cut off from civilization by 3,000 miles of sea, faced a continent—a wilderness—without the aid of

even a blazed trail. They had to fight savages, frosts, scurvy, loneliness and starvation.

The United Empire Loyalists subdued an unbroken forest in one generation, growing their first wheat amid the stumps and snags of the new clearing.

The Selkirk settlers came to Manitoba when the prairie was a buffalo pasture, and grew wheat where none had grown before and where those who knew the country best at that time said wheat would never grow. To-day the Canadian prairies grow the finest wheat in the world.

In proportion to population Canada stands to-day among the wealthiest nations in the world, with average savings on deposit per family of \$800. Canada's foreign trade per head of population stands amongst the highest of the commercial nations, being \$192 per capita in 1922-23, as compared with \$116 in 1914-15, the "peak" year before the war.

## New Opportunities for Canada

In Canada, although prices in the world markets fell below war level, our farmers reaped last autumn the largest grain crop in Canadian history, and Canada became the world's largest exporter of wheat, thus in large measure making up for lower prices.

Last year, Great Britain, after an agitation extending over thirty years, raised the embargo on Canadian cattle, and a profitable and practically unlimited trade is opening up for Canadian stockers and feeders.

"The 20th Century belongs to Canada"—if Canadians keep faith.

The next article will suggest practical opportunities for profit making on our Canadian farms.

## REACH & COMPANY,

DRY GOODS, BOOTS & SHOES, CLOTHING, GROCERIES.

Now that the rains have let up for a short time, floods receding, Nature will again reassert her forces. Fruits and vegetables are pouring in from all kinds; watermelons show up huge and luscious berries will soon be finished, but a multitude of are taking their place.

It is no good to mention prices, as it is to our mutual interest to give the lowest living prices.

**DRY GOODS**  
you have to get, and it is to your interest to make your money go as far as you can. It is a long time to harvest. Our stock may be small, but it is well selected. Our policy is to cut out lines that are slow movers, and to put them on the bargain counter at prices ridiculously low. In fact, we made up our minds to have fresh stock instead of old. A few instances will arrest your attention to goods that were cleared out. We had a stock of women's obsolete house dresses and wrappers. These were offered at less than cost. Every one was sold, so it enabled us to buy the very latest. Another example was women's high-cut canvas Balmorals. But the lines in men's, women's and boys' raincoats was a smasher. The rain pelted down, and for refuge, people had to buy. The last one was sold, and the rain stopped. Children's dresses we also nearly gave away. Black underwear for C. P. R. men. Now, next week, we will cut or weed out women's silk and cotton hosiery, as yesterday a traveller for the Mercury Hosiery Company sold us a bill of goods close to \$500.00, so we have to make room.

**MAPLE LEAF MATCHES**  
Different and better.

Gardiner here for a month, when he will return to his duties at Berkeley. Charles Campbell was a visitor in Macleod over the week-end and holiday, the guest of his mother, Mrs. D. J. Campbell.

Miss Cora Hicks will leave Friday for Calgary where she will visit with Mr. and Mrs. Lawrence Hicks for a couple of weeks.

Miss Matheson of the Macleod Public School has left for Grand Narrows, U. S. where she will visit for the summer holidays.

Mr. and Mrs. W. V. Price returned on Saturday last from a three weeks' vacation spent at Vancouver Island where they visited friends.

Miss Eva McNab, who has been teaching for some months past at Tabery, is visiting her parents Mr. and Mrs. W. H. McNab of Macleod.

Owing to the fact that the necessary repairs to the engine carrying out the fitting detachment are not available, the first Battery will not be able to go to camp this year.

A very pleasant evening was spent when the Macleod Junior Baseball Team entertained a number of their friends at a party held in the I. O. O. F. Hall on Dominion Day. The party was to have been given in honor of the Clarehoush Junior Team who were to be in the city for the afternoon, but which game was called off on account of the roads being in too bad a condition for Clarehoush to get here. However, the boys played a pickup game in the evening carrying on with the party afterwards. Reminiscences were served around by Miss Lillian Webb, Marjory Ringland and Wilma Swinerton, was enjoyed until twelve-thirty.

**HOMELESS CHILDREN**  
Many homes throughout this Province where at present there are no small children, would be happier if it were possible to take a little child to love and care and protection. Many have the financial means to do this, and as there are a number of young children in the different Shelters throughout the Province waiting to be placed in good homes, by communicating with the Department of Neglected Children, Old Parliament Buildings, Edmonton, further information may be obtained and undoubtedly a suitable child found for the inquiry.

This week the following are among the babies available for immediate adoption at the Edmonton Shelters: Melvin, three months old, tall, dark hair, brown eyes, fair complexion, nice disposition.

Ruby, seven months, fair, blue eyes, features, tall, a lively baby.

Norman, five months old, medium complexion and hair, healthy, bright and always happy. Roman Catholic.

Alice, eighteen months old, fair, rosy cheeks, robust, always contented and happy. Roman Catholic.

Ralph, five months, fair hair and eyes, round features, healthy and happy. Scotch descent. Protestant.
